ENG.
To be ready for tomorrow's opportunities, do your homework today. Learn, refine your skills and focus on your growth.

Dear Students,

Summer has arrived and brought with it your amazing and fun-filled holidays. Summer break is a well-deserved opportunity to relax and unwind by indulging in various activities. Your Holiday Homework has been specially designed for you to be creative, innovative and imaginative while completing your tasks. It will also enable you to recapitulate what was taught in the classrooms. We hope you will play, learn, research, analyse, experiment, imagine, think, value, appreciate and above all enjoy during your holidays.

Wishing you happy holidays!

Instructions for the students:

❖ Do your holiday homework in your respective subject notebooks or according to the specific instructions.

❖ Mention date and day when you do your work.

❖ Use your creativity and imagination wherever required.

❖ Submit your holiday homework when the school re-opens.

❖ Use the holidays to thoroughly prepare topics given in August Periodic Test Syllabus.

Q1. Look at the above given picture and describe the picture in about 50 words.

Q2. Write a paragraph on how you spent your summer Holidays (Preferably, you can write about a day or an event too).
