To know that we know what we know, and to know that we do not know what we do not know, that is true **knowledge**—Nicolaus Copernicus.

Following the same ideology, Army Public School, Mhow conducted a quiz on virtual mode for students of class IX to XII on Google Forms platform. The topic was **India's post-independence achievements**.

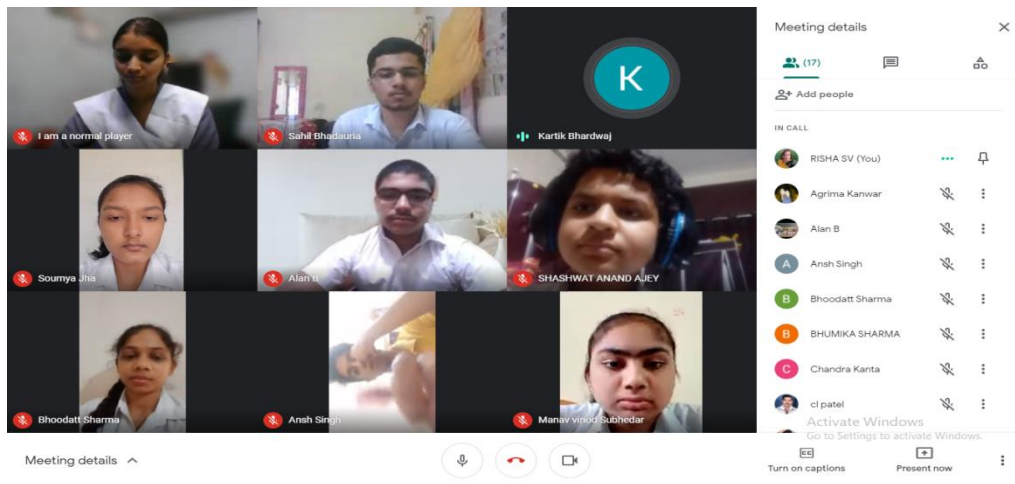

All the students of class IX to XII were first shortlisted on 21 May 2021 through a small quiz in which 60 students appeared. The results were then evaluated and 20 students were shortlisted. These 20 students were added in a quiz whatsapp group where on 26 May final round of quiz was held. Students enthusiastically participated and showcased their brilliance by answering rapidly. The quiz tested the students on parameters of 2 Marks for correct answers and negative 0.5 for wrong answers.

The quiz worked like a work out for the brains of the participants. It left them yearning for more.
